A note from Karen and Joycelyn

Dear Friends,

At Virginia Peninsula Foodbank we have a simple vision - to inspire hope by leading the effort for a hunger-free and properly nourished community. We forge ahead everyday regardless of the economic, social, or political landscape that surrounds us. Each year is different, but our mission to distribute food effectively through collaborative efforts is constant.

It is also a hallmark of each year to provide you with an annual report of the work we do together. One of the benefits of producing an annual report is the opportunity to reflect on the Foodbank's gains and losses in the previous year.

The gains are apparent in our final numbers. In FY18, we distributed a record number of meals to our neighbors in need across the greater Peninsula. The losses are the individuals we have not yet reached, and the stories we hear daily of hard times, hunger, and diminishing hope. We remain steadfast in our desire to grow our programs and services, while maintaining a fiscally responsible culture. Our board and staff believe we can do more, be more, and give more.

The cornerstone of our Foodbank is built on Service, Quality, People, Stewardship, and Integrity. This year's report -- which we've renamed Donor Impact Report, is designed to show how we've stewarded your gifts and how you have made a difference in the lives of our neighbors this past year.

We are so grateful for the many volunteer hours you gave, the programs you funded, and the financial and in-kind donations you shared. But the thousands of volunteer hours, millions of pounds of food, and generous financial donations you gave do not tell the full story.

When we look beyond all of these meaningful figures, the core work of our Foodbank and our partners can best be found in a one-to-one transaction. One person handing another a hot nutritious meal, a bag of groceries, a food-filled backpack, or a frozen turkey for the holidays. One neighbor caring about another.

One by one, we nourished our community, and donors like you made it happen. Thank you for supporting your Foodbank and sharing in our vision. By offering food, funds, and time, you inspired hope in our neighbors in need this year. Our success belongs to you, and we remain grateful for your support.

“
In our community,
 there are so many people in need. When the children come through the pantry and get really excited about basic food, it makes you realize that they don't have a lot – and it's really touching to see how much of a difference you're making in their lives.

“

This is such an operation and takes so many people to pull it off. It was hard work, but so rewarding to know you are helping a family eat. The thought of some of those kids not having enough food really inspired me to try to do more. I am happy to support such a great cause.

Distributing 12.1 million pounds of food wouldn't be possible without the dedication of nearly 175 community partners, also referred to as Foodbank Partner Agencies. Successful collaborations with schools, faith-based organizations, food pantries, shelters, and community centers has, and always will be, the key to accomplishing our mission.

THE GIFT OF TIME

Why do our dedicated volunteers tell us they donate their time and talents to the Foodbank?

They love being affiliated with other great people.

They enjoy the variety of projects available from inside the warehouse to out in the field.

They want to give back to the community.

They feel in their heart that no one should be hungry in a country with so many resources.

They have received assistance from a food bank and wish to provide similar help to others.

They have an innate desire to serve.

While the reasons our volunteers come through our doors are numerous and varied, the reason these volunteers are essential and important to us comes down to one simple fact: **We could never fulfill our mission or serve our neighbors in need without them. The time they gift us makes our work possible.**

- Whether serving with us for years or for the first time this year...
- Whether young or young at heart...
- Whether part of a corporation or a committed individual...
- Whether at our facility or out in the community...
- No matter what you did...

...Every hour you gave us made a difference in the lives of those affected by food insecurity.

You offered comfort, respect, and hope to our community.

We thank you
for giving the gift of **YOU.**
