For the coldest weeks of the year, HELP coordinates with over 30 area churches to provide a place that is safe and warm. "A Night's Welcome" is a nightly shelter, but its location changes throughout the season as area churches open their doors to those in need. With the help of many volunteers and organizations, two hot meals, toiletries, and community are provided for individuals and families that find themselves on the street each winter.

Pre-registration can be completed at the HELP Day Center
